Greetings:

We are now ready to write another chapter in the history of our Scottish Rite Bodies in the Valley of Hartford. The Holiday Season now being over; we trust it was a happy one for each one of you; let us all unite in making our Scottish Rite that which we know it can be.

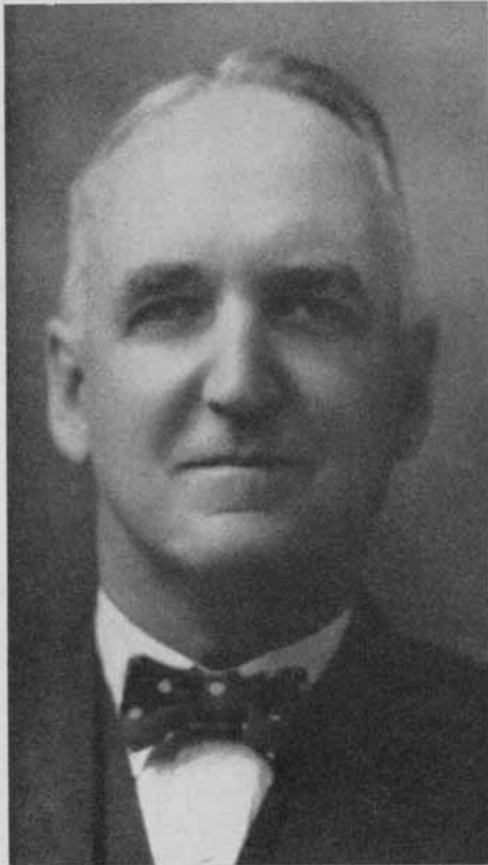

The Officers particularly are fully aware of the various conditions we must confront and regardless of the situations, limited space both for the members and the degree workers, will do their very best to confer the degrees in a manner that will win your approbation. Following out the program adopted last year, the degrees will all be conferred through a period of time. We are indeed fortunate to have casts for each of the degrees, but need to relieve some of those who are carrying heavy loads and new talent will be joyfully accepted and put to work. Since last July the officers have been meeting and planning the degrees and we hope you will show your appreciation of their efforts by having a capacity attendance at each of our meetings.

The social times after the meetings will be continued, here you will have an opportunity to greet old friends and also make new ones. Some of the leaders in the Scottish Rite will make interesting and instructive addresses.

During the year three "testimonial dinners" will be tendered to three of our outstanding leaders. Remember you will receive no other notices of these meetings or dinners so mark them now on your calendars so you will not forget them.

Wishing you one and all, one of the Happiest and Most Prosperous Years you have known we remain sincerely and fraternally.
