Boston - Saturday, May 4, 2019

A day full of American history, culture and fun!

We'll start our day with a visit to the USS Constitution affectionately known as *Old Ironsides*, the world's oldest commissioned warship afloat. Explore all the nooks and crannies (watch your head!) aboard this historic ship. Listen to uniformed naval personnel telling you about life aboard. View the other historic ships on the pier. See the ring of cannons lining the upper deck. Learn about Old Ironsides' role in the war of 1812.
